

Hi everyone,

Sorry we missed a few of you yesterday morning. It was definitely a cold one but we had a good time. We had some pretty good luck seeing coyotes (saw three total) and a few deer, including a buck. Unfortunately everything was pretty far away except for – what we described as – multiple plethoras of rabbits and prairie dogs. They were cooperative and allowed us to take some nice photos of them in the snow.

After the outing, we headed over to Gib's Bagels and discussed a variety of topics related to the wildlife SIG and reviewed some of Ken's beautiful photos from Bosque and AZ.

The group decided they liked the outing and casual meeting over snacks and drinks after the outing as the format so we will continue with that for next month. The next month's outing/meeting info is below.

Remember to send in information to Mike Barry regarding red fox – information, resources and photos you would like to share on the web site.

Hope to see you at next month's outing.

Dawn

Wildlife SIG:

- **next meeting/outing:** March 11, 7 a.m. (sunrise is at 7:18 a.m. due to daylight savings time change that weekend)

- **where:** Grandview Cemetery; meet at the main entrance at the end of west end of Mountain Ave.

- **subject:** fox and any other wildlife in the area

- **notes:** please carpool or park cars outside of Grandview (on Mountain Ave. or Grandview Ave. to reduce cars in cemetery)

- **meeting:** we will head out after the outing for coffee/tea/hot chocolate and brunch/snacks at a nearby location to discuss what we saw, what we hoped to see, review pictures, next month's meeting/outing, etc.
